

# SPECIALITY LOCKS

**The above fantasy padlocks are only 9 of the designs of these locks that were made . Some of the other known locks are "Comstock" , "Smith and Wesson" and "Remington". There are two different versions of the Winchester lock known to exist. These's padlocks were made here in the USA in the mid to late 1980's by a person that made them to be sold as curiosity items. This person would**

**even make a customized padlock with your design on the lock for a set price.**
